Case #17322 - Holly Cook, 49 Daytona Street, Atlantic Beach, NY
Construct a raised deck connecting the front and side decks, and a 3'
addition to the rear of the existing garage (Continued)

Chairman Siniscalchi asked if there was anyone to speak on this case. Sworn in by Village Attorney Kovit was Holly Cook, 49 Daytona Street, owner and applicant. She said the side door already existing when the house was constructed in 1949 and now wants one set of stairs instead of two. The garage extension is to extend for storage because the lost storage when the house was raised and made more sense to enlarge the garage. Commissioner Baessler said this is a hardship imposed by FEMA and the basement would have been there if not raised. Commissioner Watkins had questions on access from the street.

Holly Cook said they would be adding 3' going north from the existing property.

Next to be sworn in by Village Attorney Kovit was Ron Cook, 30 Montgomery Boulevard, Atlantic Beach, NY. He said basically now there is no sidewalk only walkway and said they have to have access to side steps. He said they are trying to eliminate a stairway.

Chairman Siniscalchi asked if there was anyone to speak against. Sworn in was Joan Raffe, 2134 Pacific Boulevard. She said she has lived here 65 years and also owns 55 Daytona Street- her property abuts the rear property and the variance will create undue privacy. Anyone standing on their deck will impact her privacy at 55 Daytona Street also.

Chairman Siniscalchi asked if there was anyone to speak.

Ron Cook came back to the podium. He said he would never want to infringe on Joan and has known here for years; just wants it to be the best it can be.

Chairman Siniscalchi said they need a little more time. Attorney Kovit said the Board has 60 days to make a decision.
