Sworn in by Village Attorney Kovit - Jed D. Nelson, , Bert Nelson Associates, Inc., Bellmore, NY.

Mr. Jed Nelson, who the board recognized as an expert in the field of real estate appraisal. Mr. Nelson provided a narrative in support of his contention that all 3 variances should be granted. He went through the applicable statutory criteria of the NYS Village Law. After his presentation, Chairman Siniscalchi noted that requesting a 5' side yard setback variance where there was approximately 100' of yard space on the opposite side was unprecedented. Further statements were made that with regard to the side yard variance request it would be advisable for applicant to submit revised plans indicating the proposed improvements of that opposite area, including (as alluded to by applicant 's representative) a swimming pool and cabana facility. After further discussion, it was agreed that the hearing would be continued at the September meeting of the Board and that as soon as possible prior to the hearing date, amended plans would be provided to the Building Department, showing the entire proposed improvement of the approximately 100' yard area on the opposite side from the proposed 5' setback variance area.

Mr. Nelson submitted into evidence the following exhibits:

- Applicant Exhibit A: Professional Qualifications of Jed D. Nelson
- Applicant Exhibit B: Photographs of houses in area
- Applicant Exhibit C: Photographs of houses in area
- Applicant Exhibit D: August 17, 2017 letter to S. Schneider,
78 Fulton Avenue from Jody & Elie Levine,
77 Genesee Boulevard

The Board had various questions on the property - setbacks etc.

Attorney Kovit asked Mr. Murray what is the benefit of a 5' setback and Mr. Murray said they have five kids and want sufficient space on the south side for the kids.

Commissioner Baessler asked why hasn't a master plan been filed yet and Mr. Murray said they may want to do a swimming pool and Commissioner Baessler asked why not do this all at once.

Sworn in by Village Attorney Kovit was Ann Coombs, Architect, 127 River Road, Essex, CT 06426. Commissioner Cornish asked about the property size, house to property line is about 100'.

Chairman Siniscalchi asked if there was anyone to speak for - there was no one. Chairman Siniscalchi asked if there was anyone to speak against -

Case # 17313 - JELAB Trust, 88 Genesee Boulevard (Continued)

Village Attorney Kovit sworn in Donald Feinsod, 84 Fulton Avenue - he lives immediately behind 77 Genesee. He gave an overview when he built his house 15 years ago and cannot understand why the Levine's, 77 Genesee can't keep 15' side yard.

Michael Feinsod was sworn in by Village Attorney Kovit - he said he spends a lot of time in the village at his parent's house and they are asking for multiple variances - 12' higher than the Feinsod's house. What is on the lot creating a hardship - are they trying to building the biggest house in town.

Commissioner Cornish asked what is along the property line - on the north side is just a 5' fence.

Mr. Nelson said they will not be the largest house in the village - lot is 17,000 sq.ft and house is 3,900 s.f. Chairman Siniscalchi said it is very hard to consider giving 5' when you have more on the other side.

Michael Feinsod said he wants the Board to consider not granting anything in totality.

Exhibit D - letter from Levine, 77 Genesee - Michael Feinsod asked if there was any compensation received for writing the letter. Mr. Murray said they are getting Arborvitae trees.

Benjamin Weinstock, Attorney - RuskinMoscouFaltischek, P.C., 1425 RXR Plaza, Uniondale, NY. - he said earlier he had a number of conversations with Mrs. Feinsod and Michael Feinsod. Mr. Weinstock said he has sent letter to Mrs. Feinsod and the Mrs. Schneider about the trees.

Chairman Siniscalchi said he is not used to seeing piece meal - want to see whole picture to make a decision. Attorney Kovit said they need to see the layout of the side yard. Mr. Weinstock said they are happy to come back to present the swimming pool and cabana.

Attorney Kovit asked if there was a motion to continue the hearing net month.
