PUBLIC HEARING TO AMEND THE CODE OF THE VILLAGE OF ATLANTIC BEACH

LOCAL LAW 4-2018: Chapter 205 Swimming Pools & Hot Tubs
Chapter 250 Zoning: 250-84 Swimming Pools

Building Inspector Steve Cherson gave an overview of the proposed local law.

Chapter 205. Swimming Pools and Hot Tubs

§ 205-4. Fences and gates.

A. Every swimming pool or hot tub heretofore or hereafter constructed or maintained, except an indoor swimming pool or indoor hot tub, shall be enclosed with a good quality wood or link wire fence five feet minimum in height, six feet maximum. Said fence is to be properly screened with shrubs and plants.

A.1 Properties on Reynolds Channel shall be permitted to have fence enclosures four feet minimum adjacent to the waterway and those portions purchased from the Town of Hempstead or by Town of Hempstead boundary agreement.

Article XI. Swimming Pools

§ 250-84. Conditions for installation and maintenance.

A. No outdoor swimming pool shall be installed or maintained unless:

(1) Such pool is installed wholly in the rear yard of the premises.

(2) There shall be erected and maintained a swimming pool fence enclosing the portion of the area upon which such pool shall be installed. Such fence shall be either a chain-link, wrought iron, plastic or quality timber fence in accordance with the following specifications:

**PUBLIC HEARING TO AMEND THE CODE OF THE VILLAGE OF ATLANTIC BEACH
LOCAL LAW 4-2018 - Continued**

(a) Chain-link fence. Said fence shall extend from the ground to a height of not less than five feet, with top and bottom rail, posts spaced not more than eight feet on center and set to extend three feet below grade, in an eight-inch-diameter concrete footing. Chain-link fabric shall be galvanized steel, two-inch mesh No. 9 wire. The fabric shall be fastened to posts and rails so that the bottom of the mesh is not more than one inch above grade. Fabric shall be fastened securely to posts and rails by means of wire clips not more than 30 inches on center.

(b) Timber fence. Said fence shall extend from the ground to a height of not less than five feet, with two horizontal rails on the pool side. Posts shall be spaced not more than eight feet on center and set to extend four feet below grade. The frame design shall produce a rigid structure. Fabric coverings and/or fence panels shall be securely mounted and fastened to the frame and shall be not more than one inch above the grade. All fence materials shall be the No. 1 grade of the type used or chosen.

(c) Properties on Reynolds Channel shall be permitted to have fence enclosures four feet minimum adjacent to the waterway and those portions purchased from the Town of Hempstead or by Town of Hempstead boundary agreement.
