I'm aware of several residents who have seen raccoons wandering the Village, even during the day just seems like there is more wildlife than usual. Is there

QUESTION:

Non residents using Vernon Ave beach access for their dogs and not picking up waste. It was posted on NEXT DOOR APP that VAB Vernon is a good place to take your dog. The dogs are not on leashes and out of control running @you as owners try to stop them. It is impossible to go for a quiet walk @ times. They don't even live here. The use the non resident parking and let the dogs immediately off the leash. There are no receptacles to even place the waste. What can we do to not allow dogs on Vernon beach?

ANSWER:

If you see this please call village hall – we will also have code enforcement check

QUESTION:

My question 2 meetings ago unanswered by mayor. Still wanting to know when we will get a full report of village by folks who do in person specifically Rescue, beach report, beautification, -AB cats.

ANSWER:

We hopefully will be going to in person meetings next month.

ANSWER:

The minutes are posted once they are approved

Has the board considered the proposal made over a year ago to raise minimum income eligibility for senior citizen reduction in AB property tax? ANSWER:

It is a local law that can be voted on for next year's taxes. I will discuss with the board

We have requested more patrol on Park as well as reached out to Denise Ford to get speed indicators on Park Street. We also requested more markings with 25 mph on the roadway.

At last month's meeting, a key coded locks for the beach entrances were mentioned. How is the Town expecting to use these locks off season and during the summer season? Would resident be given the code for access at any time?
