

# Atlantic Beach + Barrier Island

## RESIDENT RED ALERT!!!

## STOP THE TURBINES - ARE YOU AWARE?

NOW is the time for us to unite as residents to educate and protect ourselves from the harms this project will inflict upon the people who live here with little or no benefit at all to these communities. There are still ways for us to redirect or halt this project and protect our healthy way of life for which we have worked so hard, and have provided for our families and generations to come.
